****Commitment weeks****

When a commitment for a certain amount of weeks is made we are planning accordingly for the number of children that are expected that week. Once the commitment is made for "x" amount of weeks you are expected to pay for that amount of weeks. We do realize sometime things happen....and if your child is not here during one of your commitment weeks you will be charged \$55.00 for that week. Unless you are on the year round plan (plan B) and use a vacation week.
